

**From the Mayor's Desk...April 5, 2016**

Two important updates on tonight's meeting with Greenburgh officials to discuss the reassessment: **the time has been moved up to 6:30pm and the location has been moved to the meeting room upstairs at the Senior Center at Scenic Hudson Park at 29 Bridge Street.** We plan to webcast and archive the meeting for later viewing.

I think it is important to explain that the purpose of tonight's meeting is to obtain a better understanding of the process, methodology and impacts of the reassessment. Supervisor Feiner will also explain his work in finding possible mitigations for residents facing large tax increases. **It is NOT the forum to discuss individual valuations or issues with individual valuations.** If you have an issue with your individual valuation, please set up an appointment to discuss it with Tyler by calling (800) 273-8605.

If you would like to submit a question for tonight's meeting, I would be happy to forward them to Supervisor Feiner in advance. I am looking forward to a respectful, intelligent and productive dialogue tonight.
