Fireworks

The excitement is building for our annual fireworks display in Matthiessen Park tomorrow, July 4th at 9:00 p.m. (or whenever it is dark enough to enjoy fireworks!)

Once again, parking will be extremely limited, so please plan to walk if at all possible. If you must drive, please carpool. Very little parking will be available on the west side of the railroad tracks, so plan to park in the Metro-North parking lot at the Irvington Station or up the hill at the Main Street School. It's just a short stroll through our Main Street business district. Feel free to make a stop or two at one of our fine merchants or restaurants along the way!

By now, you probably received a security message pertaining to tomorrow night's fireworks display. If you did not, a copy is available here: <http://www.irvingtonny.gov/CivicAlerts.aspx?AID=1358>. I am confident that the evening will be safe and fun for all, but please be aware of your surroundings!
